SUBJECT : Hotel check at MUNICH.

3 November, 1951

The checking of the registration forms at the Central Visitors Register at the MUNICH Police Hqs presented a problem, while the list of Subjects did not show their first names in many cases, and their birthdate in no case.

For that reason a list of all identical names was completed, giving the date and hotel where they stayed. This list covers a period from 1 January 1951 to 1 November 1951. In addition to this info I tried to get their birthdates in most cases, in order to enable you to find out which is the Subject concerned.

When more detailed information is needed about some of the above persons, please notify as soon as possible. The registration forms will be held out of files for the next coming 2 weeks and info can be obtained easily during this period. Of course the only info available there is Subject's name, birthdate, birthplace and address. After two weeks the cards will be returned into the files and my contact takes it for granted that we do not need more info about those Subjects.
